the case of space ship 77

Judge Atherton: The facts in this case are well known both on this planet also on Mars and Venus. They have been given full publicity by all modern means of communication. There is no dispute regarding them as both the prosecuting attorney and the attorney for the various defendants have agreed as to the facts. The only point in dispute is as to the application of the law in this given case. In the popular mind it has become known as the Case of Space Ship 77. On the docket it is legally known as the People Versus Grodner and other Defendants.

My learned associates on this bench of the World Council Court feel that it is best, in spite of the fact that this case has for some reason attracted both world wide and interplanetary attention, to state briefly what has been conceded by all parties to have taken place. If one wishes to have a beginning then it starts with the Observation Post at Midville on March 17, 2281. Professor Howard Flynn and his staff were tracking down the Asteroids in what has now become known as the Galaxy Group.

For some strange reason, these asteroids were blowing themselves to bits at regular intervals. But why? There seemed to be no danger involved to the safety of this planet. However communications were made to the Governments of Mars, and also to Venus. They suggested that the Earth Council send out a group of scientists aboard a small Space Ship to investigate this strange and unusual behavior of these asteroids.

One of the old rebuilt automatic Space Ships was put at the disposal of Dr. Arthur Grodner. It was known as Space Ship 77 and all it required for operation was one man to check the automatic controls. Captain Charles Lana volunteered for this work. He is not a defendant in this case. Eleven other scientists were then chosen by Dr. Arthur Grodner.

On June 23, 2281, this Space Ship 77 left Earth and made a stop at Moonport. Then it headed for these Asteroids. The trip one way from Moonport was roughly speaking about nine months. An exploding Asteroid damaged this Space Ship and it was forced to land on another Asteroid known for the records as Asteroid Magnus. It has been agreed that but for the skillful handing of Captain Charles Lana all persons would have perished.

Camp was set up on this Asteroid and scientific testings were soon started. These have all been published in the Annals of the Inter-Planetary Scientific Commission. There one can read the scientific reasons for the strange behavior of these Asteroids. After two months on this particular Asteroid it was concluded that it would destroy itself in about three weeks. Which meant that the group of men would have to leave either for another Asteroid or return home.

There was no way to communicate with home base since there had been damage to part of the equipment of the Space Ship as well as to the hull of the craft itself. Space Ship 77 was composed of two separate units and it was one of these units which had been materially destroyed. In the mature judgement of Captain Charles Lana the craft could only accommodate six passengers. Which meant that six others would have to be left behind, and this would be to certain death on that Asteroid.

The testimony is to the effect that Dr. Donane Blanford suggested that they draw lots. Six to go and six to remain. However since it was necessary to have somebody run the Space Ship it was agreed that Captain Charles Lana have no part in this proceeding. Lots were cast and drawn. Dr. Blanford was among the losers and they all signed a document telling just what happened.

The Space Ship then left the doomed people on the doomed Asteroid. Professor Howard

Flynn and his group definitely were of the opinion that the Asteroid blew up exactly three weeks after the Space Ship 77 had departed. We know that a fast rescue Space Ship sent from Moonport found no trace of this particular Asteroid. So we all mourn the loss of these brave intrepid Scientists.

When these facts became known, the Prosecuting Attorney of the Earth Council claimed this was murder. He pointed to the case of *The People Versus Blakely* in which it had been held that, "the drawing of lots to determine survivors is murder in the first degree." This case was decided in 1863. A sailing boat sank and the one life boat that wasn't damaged was overloaded. It too would sink unless it were lightened. Lots were drawn and the losers were tossed into the sea.

I will admit that we were all shocked when this action was brought because the World thought of these men that survived as heroes. Parades in their honor were held, even medals were given to them. But the law is the law, and if they did violate the law then they must be punished. We must take notice also of the fact that much has been said that if these men are finally held to be guilty that the Chief Executive will give them a pardon. However this has no bearing whatsoever upon our determination of the case.

They were tried in the First District Court and found Guilty of Murder in the First Degree. They then took an appeal to the Appellate Court which upheld the First District Court. Then they went to the Supreme Court which also sustainted the verdict. Now this case is before us, the final court of the Earth, the World Council Court.

There are two aspects to this case. One is the moral aspect and the other the legal aspect If from a group of men it is determined that the only way some can live is for some to die who is to make the choice? Can it be done by force: And if by force is that force with legal authority to make the decision? Can it be done voluntarily? And if so done have the winners the moral right to accept their lives on the basis of others dying?

As for the legal point, what law is to be used in the case? The particular Asteroid was within the jurisdiction of no planet. But it has been contended that as laid down in the case of *Mars versus Venus*, "The law travels with the flag of the space ship." And this is but a restatement of the old law in the days of sailing and steam ship. The law followed the flag.

It has rightly been held that we do have jurisdiction of this case and that the law to be applied is that of this planet Earth. I will admit that myself and my associates on the bench were very much troubled by this case. Because as learned counsel for the defense pointed out, "What alternative would you have? Would you want all the men to remain and die?" We are convinced that if six had agreed to stay behind without drawing lots then this would have been legal. Six people willing to die that six others might live. But they did draw lots, and that is the big point of contention.

Suppose that one of the losers then refused to abide by the decision. Could others morally or legally force him to remain behind? The desire to live is fundamental but no man has a right to exercise it at the expense of somebody else who is innocent as regards the cause of the situation. So I speak as the voice of the entire court. We feel that verdict as rendered in the First District Court must be upheld.

Editor's note: Two days after this verdict was received the Earth was startled by a message that came from the planet Mars. An old trading Space Ship, the Hexogarus, had been making the rounds near the Second Galaxy. They had to stop for some minor repairs and made it on the Asteroid Magnus. There they found six Earthlings who warned them that the Asteroid would soon explode. In gratitude they were taken aboard this Space Ship. But now another problem arose.

The trading Space Ship had no permit to make the trip. So they just didn't know what to do with the survivors. They kept them aboard for several months. And then finally when they met a Martian Space Ship at the Star ZENOS, which was a free port, they transferred the men to this Space Ship. Which then immediately contacted Mars about the good news. Everyone rejoiced that these brave scientists were still alive. The case against the survivors was at once dropped and they again became free men and could pursue their work.

There is no doubt that this case will have to be considered for future reference. Since plans are now on foot to make explorations of the Third Galaxy. What is to be done if a Space Ship has to be lightened because of an accident and can't go on its way with its passengers? Not a pleasant thought but just the same one that must be given mature consideration of all the factors involved.

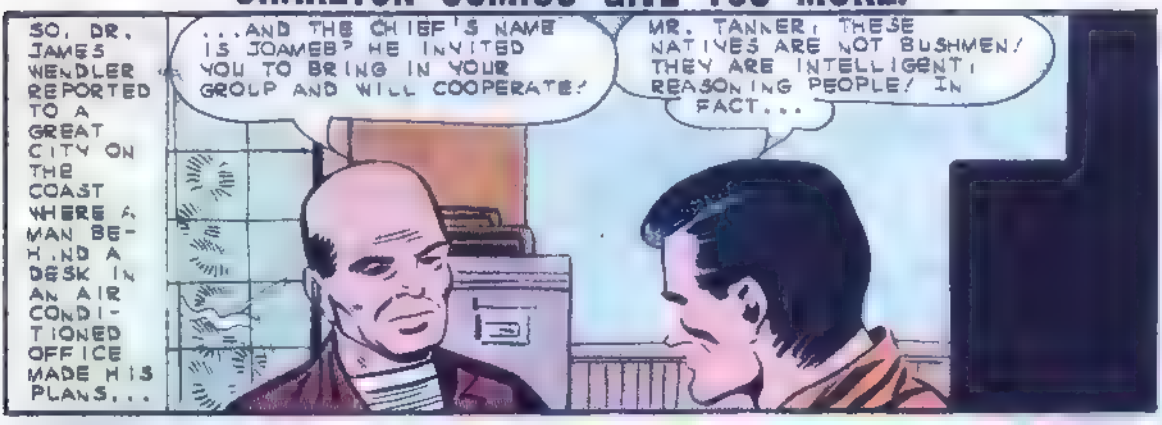
THE BENEFACTORS

THE FIRST ONE WAS FLOWN INTO THE H GH, REMOTE JUNGLE N A LIGHT PLANE AND HE TR.ED HALF A DOZEN DIFFERENT DIALECTS BEFORE HE WAS ABLE TO CONVERSE WITH THE TALL, NTELLIGENT-SEEMING WARRIOR WHO CAME OUT OF THE BUSH...

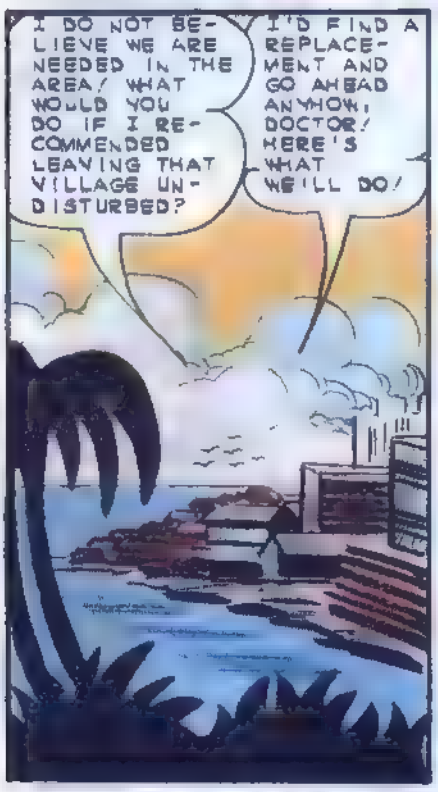
I WISH YOU WELL/ I AM WENDLER, WISE MAN OF THE OUTSIDE PEOPLE/ I CURE SICK PEOPLE, I CAN DO MANY THINGS/

WE HAVE NO SICK HERE, WISE MAN/ DO YOU HAVE A CURE FOR FEAR? YOUR COMPANION .S SICK WITH FEAR OF OUR JUNGLE/

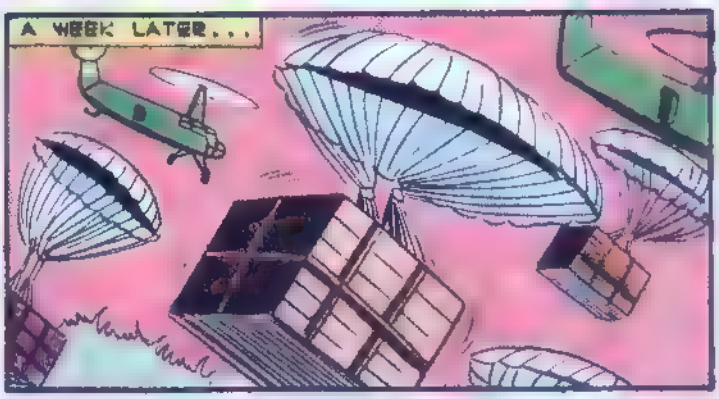
YOU ARE OF GOOD WILL, WISE MAN/ I, JOAMEB, WELCOME YOU... IF YOU WISH, YOU MAY GO AND RETURN WITH OTHERS AND GO ABOUT YOUR WORK AMONGST US/



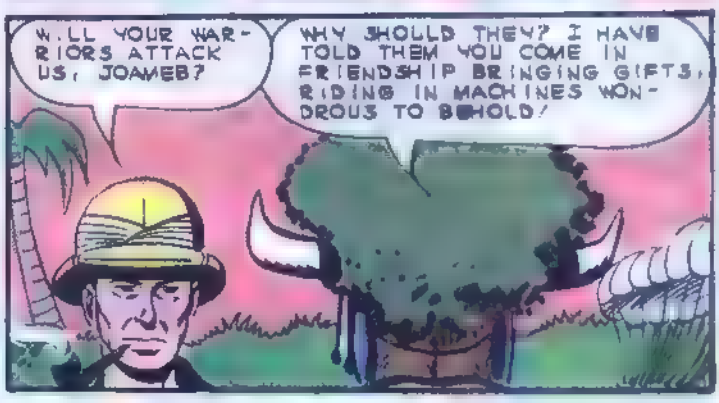
SO, DR. JAMES WENDLER REPORTED TO A GREAT CITY ON THE COAST WHERE A MAN BEHIND A DESK IN AN AIR CONDITIONED OFFICE MADE HIS PLANS...
...AND THE CHIEF'S NAME IS JOAMEB? HE INVITED YOU TO BRING IN YOUR GROUP AND WILL COOPERATE!
MR. TANNER, THESE NATIVES ARE NOT BUSHMEN! THEY ARE INTELLIGENT, REASONING PEOPLE! IN FACT...



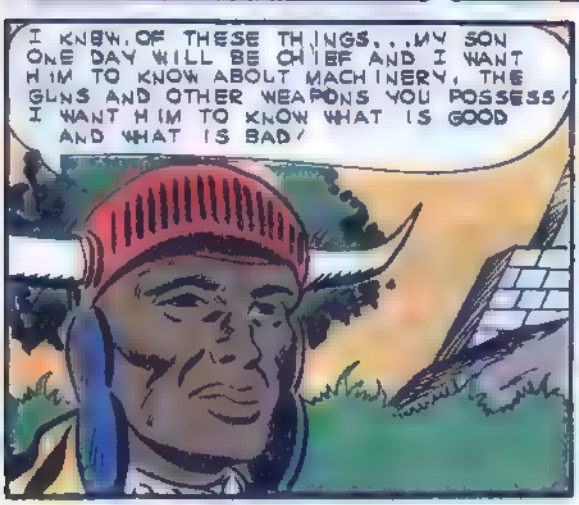
I DO NOT BELIEVE WE ARE NEEDED IN THE AREA! WHAT WOULD YOU DO IF I RECOMMENDED LEAVING THAT VILLAGE UNDISTURBED?
I'D FIND A REPLACEMENT AND GO AHEAD ANYHOW, DOCTOR! HERE'S WHAT WE'LL DO!



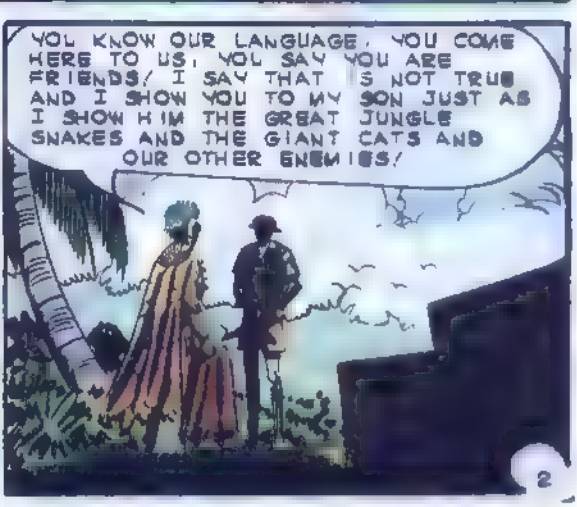
A WEEK LATER...



WILL YOUR WARRIORS ATTACK US, JOAMEB?
WHY SHOULD THEY? I HAVE TOLD THEM YOU COME IN FRIENDSHIP BRINGING GIFTS, RIDING IN MACHINES WONDROUS TO BEHOLD!

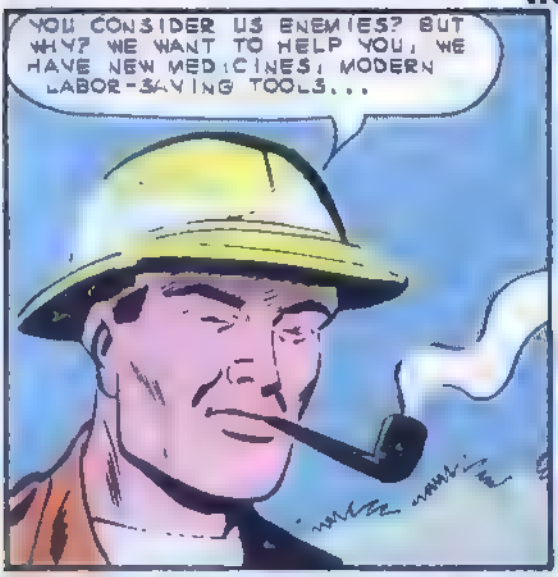


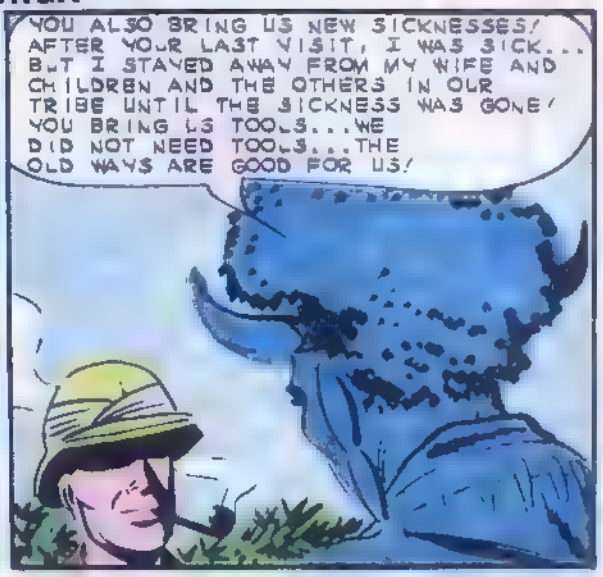
I KNEW OF THESE THINGS...MY SON ONE DAY WILL BE CHIEF AND I WANT HIM TO KNOW ABOUT MACHINERY, THE GUNS AND OTHER WEAPONS YOU POSSESS! I WANT HIM TO KNOW WHAT IS GOOD AND WHAT IS BAD!



YOU KNOW OUR LANGUAGE. YOU COME HERE TO US. YOU SAY YOU ARE FRIENDS! I SAY THAT IS NOT TRUE AND I SHOW YOU TO MY SON JUST AS I SHOW HIM THE GREAT JUNGLE SNAKES AND THE GIANT CATS AND OUR OTHER ENEMIES!

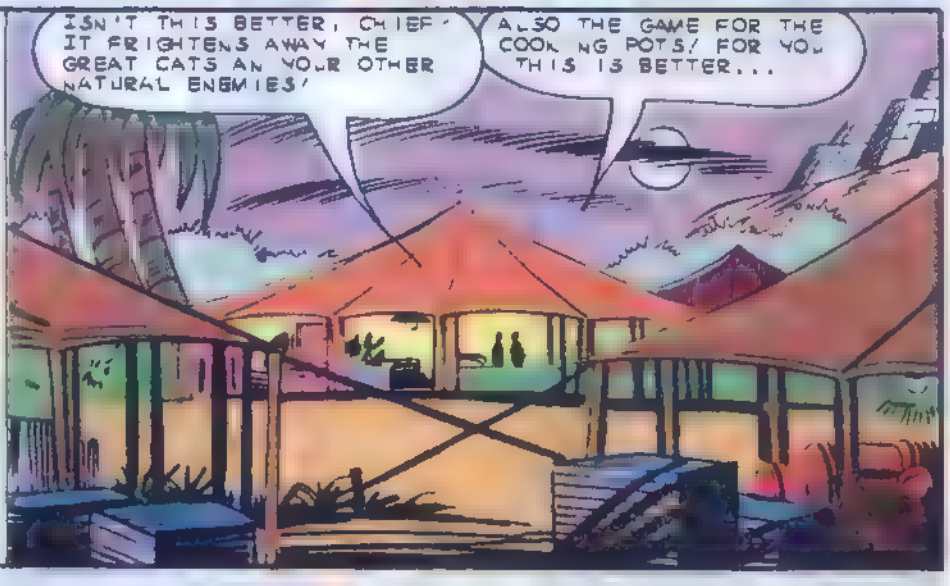
KONGA





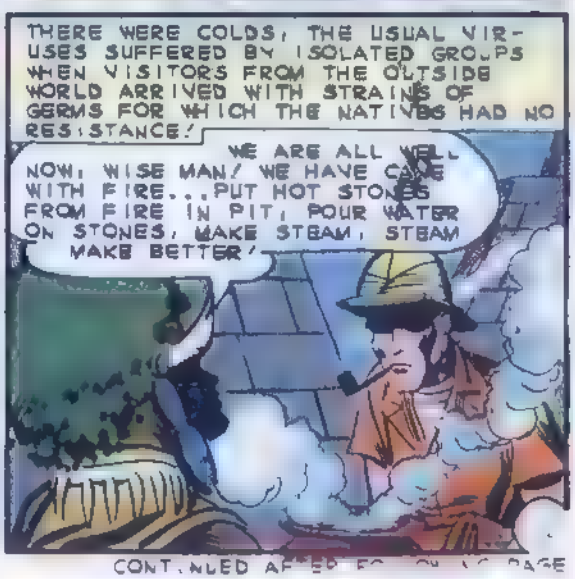
YOU ALSO BRING US NEW SICKNESSES! AFTER YOUR LAST VISIT, I WAS SICK... BUT I STAYED AWAY FROM MY WIFE AND CHILDREN AND THE OTHERS IN OUR TRIBE UNTIL THE SICKNESS WAS GONE! YOU BRING US TOOLS...WE DID NOT NEED TOOLS...THE OLD WAYS ARE GOOD FOR US!

BUT THE NATIVES HELPED THESE NEWCOMERS... WATCHING IN WONDER AS TENTS WERE SET UP, WATER-PURIFYING DEVICES INSTALLED; GASOLINE GENERATORS ROARED INTO LIFE AND ELECTRICITY TURNED THE JUNGLE NIGHT INTO DAY!



ISN'T THIS BETTER, CHIEF? IT FRIGHTENS AWAY THE GREAT CATS AN YOUR OTHER NATURAL ENEMIES!
ALSO THE GAME FOR THE COOKING POTS! FOR YOU THIS IS BETTER...

WE GO TO OUR VILLAGE! THE WOMEN WILL BOIL HERBS IN THEIR KETTLES...MANY OF US WILL BE SICK BUT WE KNOW HOW TO MAKE OURSELVES WELL!



THERE WERE COLDS; THE USUAL VIRUSES SUFFERED BY ISOLATED GROUPS WHEN VISITORS FROM THE OUTSIDE WORLD ARRIVED WITH STRAINS OF GERMS FOR WHICH THE NATIVES HAD NO RESISTANCE!
WE ARE ALL WELL NOW; WISE MAN! WE HAVE COME WITH FIRE...PUT HOT STONES FROM FIRE IN PIT; POUR WATER ON STONES; MAKE STEAM; STEAM MAKE BETTER!

Yes, an amazing new method has been developed to bring on quick, easy induction of the hypnotic trance. Now, for the first time, you too can benefit from this recent discovery in hypnotic induction.

QUICK RESULTS

Want to hypnotize your friends? Your club members? HOW TO HYPNOTIZE is a remarkable primer that shows you just how to master the latest improved induction methods. The author, a widely experienced hypnotist and consultant, gives you the exact positions to take, the precise phraseology, all the steps necessary to hypnotize even the most difficult subjects.

EXCLUSIVELY in **How to HYPNOTIZE**

ENTIRELY NEW METHOD

Until recently the process of hypnotic induction was largely based on trial and error methods which succeeded mainly with subjects who were highly susceptible to hypnosis in the first place. The truth is that these highly susceptible subjects make up a very small percentage of the population. That is why amateurs and beginning hypnotists have so often been disappointed in their attempts at trance induction. Now, however, recent scientific research has developed ENTIRELY NEW METHODS that are not only sure fire in their results but quick and easy to achieve! For the first time, these new methods are presented in HOW TO HYPNOTIZE in language that you can easily and successfully follow on the very first reading!

SHOWS YOU STEP BY STEP

This book — which has been acclaimed by doctors and psychologists — is guaranteed to give you all the know-how necessary to induce the trance state in others. It not only explains the latest discoveries in hypnotic induction, but it shows step by step, move by move, exactly how to bring on the trance; how to transform the trance into deeper and still deeper states; and how to terminate the trance quickly and effectively without any dangers whatsoever. You are even given alternative methods, so that you can actually chose the one that suits you best.

USED BY DOCTORS

The book that is being used by doctors and psychologists to learn hypnotic induction is now available to you
